Dear Brother,

The Appeals & Grievances committee will meet at the Grand Lodge of Louisiana office building located at 5746 Masonic Drive in Alexandria, LA on June 26, 2020. The committee plans to convene at 10:00 AM and will hear the cases in the order of their choosing. This letter is your notice to attend if you have any information to provide regarding any of the cases. The enclosed sheet lists the case number, accused member, their member number, their home lodge, and the lodge's number. This is the only notice that you or your lodge will receive regarding the cases. If you have anything you would like to present for or against any of the accused individuals in any of these cases, this will be your only opportunity. This meeting is open to all Master Masons though we do have limited seating in the conference room and those members with something to offer to the committee will have preferential seating. Seating will also be limited by capacity to comply with Phase 2 recommendations of COVID-19 restrictions. Thank you for your attention to this matter.

Fraternally,
